2008 Higher School Certificate and School Certificate Results

Congratulations to our Year 12 HSC students and our Year 10 School Certificate students. The 2008 students produced some outstanding results which have Trinity Catholic College listed as the 131st top achieving school in the State and one of the best performing Catholic systemic schools.

The results reflect the ongoing encouragement, support and commitment of parents, staff and students to have everyone achieve their personal best.

104 students in Board of Studies Distinguished Achievers List for a mark above 90% in a Subject

28 Courses above State Average. This is 80% of our courses. This was the 4th best result of the 29 Archdiocesan Systemic Schools

23 students scored a UAI above 90

Charbel Doumit scored a UAI of 99.65

The University Admissions Index (UAI) is a score calculated by the universities using a scaling procedure that combines each student’s best 10 units of Board Developed Courses. It is this ranking that determines a student’s eligibility for a university course.

The Universities and the Board of Studies do not release the student’s UAI scores to schools. At the time of printing, we were aware of 23 students who achieved a UAI over 90. These students were:

Veronica Cho Heui Ahn
Rachel Anjoul
Tomislav Brcic
Jason Dagher
Charbel Doumit
Daniel Dunford
Nabiha Elias
Moufid El-Khoury
Jang Hwon Lee
Tarryn Lewis

Other noteworthy achievements from Trinity Catholic College students.

Congratulations to:

Thomas Kelly Year 12 for his Visual Arts body of work titled *Jigsaw Falling Into Place*. His work was a digital media triptych. It was chosen to be a part of the 2009 ARTEXPRESS. Thomas’s work will showcase at the Art Gallery of NSW as well as in Bathurst and Grafton.

Jeremy Gadsden Year 12 for his Drama individual performance *Oh Dad, Poor Dad, Mum’s Hung You In the Closet*. His work was accepted to be a part of the 2009 On STAGE, a selection of outstanding performances and projects from HSC Drama students.

Rajesh Irving Year 12 for his Drama project titled *Judgement* which was selected for On SCREEN which will be shown as part of the 2009 On STAGE.

Daniel Sutisna Year 11 for his participation in the CSIRO Student Research Scheme. He visited the University of NSW and worked alongside Dr Julien Epps an esteemed Electrical Engineer. Daniel’s project concentrated on gathering and manipulating analogue signals resulting in the development of a programmable robot that could manoeuvre through a simple obstacle course without direct human input.

Alexander Vuong and Melinda Woodhouse were runners up in the Ernst & Young 2008 NSW School Entrepreneurs of the Year Award. Students had to use entrepreneurial skills based on innovation, creativity and personal integrity. Earlier in the year they along with other Commerce students raised money for Opportunity International. This venture provides micro finance to people in developing countries and enterprise development services such as business advice, micro inservice and financial services.
