

Trinity
CATHOLIC COLLEGE

14 July 2021

Dear Parents and Carers,

Today the Premier announced that current restrictions, including those in place for schools, will continue for at least another two weeks and be in place until the end of Week Three (Friday 30 July).

While we understand this is not the news we were hoping for, Sydney Catholic Schools and Trinity Catholic College continue to support the NSW Government as they make decisions based on the latest health advice for the safety of all in Greater Sydney.

With the extension of restrictions our school continues remote online learning. I emphasise that only those families who have no other option should be sending their children to school. It is critical that we reduce mobility across Greater Sydney as far as possible and strictly follow the stay at home orders.

While we are not inclined to specifically define essential workers, we trust parents understand how important it is to minimise the number of students, parents and staff in and around our school site. Thank you for your support in this.

Our staff have been working exceptionally hard to get online remote learning up and running for your child. We understand that in the first week we are all finding our rhythm in terms of how much and the type of work your child receives and submits. I have scheduled meetings with Student Leaders in each year group and with the Yr 12 SRC to get feedback on the first week of learning and this feedback will inform our work in the weeks ahead.

We will also contact you to check how you are traveling as we navigate this current lockdown together. If you or your family are experiencing any challenges or difficulties that you think we might be able to help with, please don't hesitate to contact Ms. McLaughlin, Mr. Hutchinson, Mr. Sullivan or myself.

Stay safe

Daniel Delmage
Principal
