

Friday 30th July 2021

Dear parents, carers and students,

I thank you for your patience, in light of the recent announcements from our Premier Gladys Berejiklian of the extension of the lockdown. We wanted to take the time to fully consider the implications so that we could provide you with a well considered response. At this stage we will continue with our online learning program and students will return to school when we feel that it is safe for them, hopefully that will be August 30 or sooner if the risks are reduced. **Year 11 are scheduled to complete their end of course exams from Week 8 and at this stage we are still hopeful that this will proceed.**

Ski and Snowboard Weekend

Unfortunately, with the extension of the lockdown, the proposed College Ski and Snowboard Weekend has been cancelled. Parents have the option of;

1. Requesting a full refund (please provide us with the account name, BSB and account number)
2. Transfer the funds to offset school fees

Please contact magy.adam@syd.catholic.edu.au and she will process your request as soon as possible.

Online Learning

As online learning continues I would like to outline the organisation of classwork and school related activities to address some uncertainty and provide structure for students during the week. We understand that an online learning experience will never be able to replace the quality of face-to-face learning. However, we are endeavouring to make the overall remote learning experience as positive as possible.

Zoom Lessons

A link to all Zoom lessons will appear in your child's Google Classroom page for that particular subject. Every parent can access their child's Google Classroom page, but if you are having issues, please don't hesitate to send an email (from your own email address) to the relevant teacher and they can add you to the Google Classroom page.

The College is continuing to request that:

- Students have their cameras on during lessons, unless they have negotiated an alternate arrangement with their teacher prior to the lesson.
- Students ensure they are logged into Zoom prior to commencing their lessons.
- Students are seated at a table in an area free of distractions and appropriately dressed so they can engage fully with the classwork.

Some students are receiving error messages that they are not authorised to access specific lessons, however, if students ensure they have logged into Zoom prior to their lessons, this will not happen.

Monitoring Classwork

To assist parent/carers in monitoring their child’s school work, the College has set-up a number of automatic messaging alerts:

1. **Bronze Awards:** To reward great work Bronze Awards will be issued electronically. An email will be sent to the student and their parents/carers notifying them that the student has received a Bronze Award for their effort, application and/or results in class during remote learning.
2. **Failure to attend an on-line lesson:** An SMS will be sent to the parent/carers of any student who does not log onto their online lesson at the beginning of their lesson. This SMS is a tool to help families manage their child’s organisation for on-line learning.
3. **Failure to engage in an on-line lesson:** An SMS will be sent to parents/carers if their child has logged on to the online lesson but they have not attempted the work provided and/or not participated in the lesson.

We do not need to receive a phone call from parent/carers to follow-up these SMS and email alerts, however, if the student and/or parent/carer needs some assistance or you have any questions, you are encouraged to email the class teacher at your convenience. A list of all staff email addresses is included overleaf.

All students are following their regular school timetable Monday to Friday (1 hour periods):

The Pastoral Care Leaders of the College will also arrange Zoom Meetings to support student wellbeing as we navigate the unique challenges of remote learning.

We hope you find that the organisation of lessons, classwork and activities provides clear structure for our students and helps them to organise their learning. If you have any questions in relation to this email, please do not hesitate to contact your child's PC Coordinator via email.

Kind regards,

Daniel Delmage
